

Directions for oral presentations & posters sessions.

a) Oral Presentations:

- 15 minutes is the time limit, including questions, for your podium presentation. Moderators will be strict fulfilling this requirement avoiding unnecessary delays.
- To prevent technical issues we suggest submitting your presentation in advance to the following email: congress.athanatos@museosdetenerife.org
- In any case, presentations should be handed over to the organization the day before of your presentation. In the case of those authors presenting on Monday, 21st, please, the presentation should be given in the morning of that day.
- You may present your work with a *.ppt format. In the event you would like to use another file extension, let us know in advance. To avoid technical issues, please, consider saving your file in different devices and with a compatibility mode.

b) Poster sessions:

- Size (including margins): 90 cm width; 120 cm high
- Font: Arial
- Font size: 24 or upper (Posters should be readable at a minimum distance of 2 m)
- Text containing: Author(s); objectives; theoretical focus; methodology; findings and results.
- Posters should be printed by the author according to the above given orientations and transported at his/her own risk.
- We strongly suggest sending a small illustration of your poster to congress.athanatos@museosdetenerife.org on May 15th, 13:00 Pm (Canary Islands time/ GMT/UTC +1); that will be helpful to organize the position where you will place your poster.

The day & time of a poster session, the authors will present their works in front of the posters in site.
